

## Working with Other Provisions Policy

As an Ofsted-registered nursery working to the Early Years Foundation Stage, we will work with other provisions that your child attends, eg pre-school, childminders, etc, to ensure that your child benefits from our “joined-up” working.

We will, with your permission, discuss with the other provision what activities they are currently planning for your child and link this into our own practice where possible. This will extend his or her understanding and learning. We will make available the development records that we make on your child to the other provision if required and ask to see theirs on a regular basis. This will enable us to work as a team and provide real continuity for your child’s development.

If you have any concerns regarding this policy please contact us.
