

Fees, Funding & Charges

At WMB Childcare, we are committed to being open and transparent about our fees and how government-funded childcare works. Government funding contributes towards the cost of early education but does not cover all aspects of childcare delivery. The information below explains what is funded, how funding is applied, and what additional charges may apply.

Our Fees (Pricing Information)

WMB Childcare operates a published fee structure, which applies to all families unless funded hours are in place.

Standard (Non-Funded) Fees

Fees are charged based on the number of days and sessions attended. Current standard fees include:

- Full Day (7:30am–6:00pm): from £72.05 per day
- Half Day: from £45.65 per session
- Full Week: from £329 per week

Please note: Fees may vary depending on age group, room type, and session pattern.

Funded Sessions

Where funded hours are applied, parents will be charged the following, where applicable:

- Any hours attended outside the funded entitlement
- Meals, snacks, and consumables, as outlined below

All funded and non-funded charges are clearly itemised on invoices.
